

Water Conservation Rebate Program!

Cash Rebates Available for Multiple Water-Wise Purchases

Triunfo Water & Sanitation District (TWSD) participates in the Metropolitan Water District’s (MWD’s) Residential Water Conservation Rebate Program, together with Calleguas Municipal Water District (Calleguas). Customers can apply for cash rebates on purchases of approved water conservation appliances and devices. The available MWD rebates, along with the supplements from Calleguas and TWSD, are shown below:

Appliance/Device	MWD	Calleguas	TWSD
Premium high-efficiency toilet	\$40	\$25	\$20
High-efficiency clothes washer	\$85	\$25	\$20
Smart irrigation controller (less than 1 acre)	\$80	\$25	\$30
Smart irrigation controller (1 acre and larger)	\$35 (per station)	--	\$30 (flat)
Soil moisture sensor system	\$80	\$25	--
Rotating sprinkler nozzles (min. 30)	\$2	--	--
Rain barrels (1-2)	\$35	--	\$10
Cistern (200-gallon minimum)	\$250-\$350		
Landscape transformation	\$2 (per square foot – restrictions and requirements apply)		

Rebates are coordinated through MWD’s contract agency, which means you only have to apply once to be eligible for all available rebates. Visit socalwatersmart.com for details on approved devices, estimating your rebate amounts, and to submit your rebate application.
