Triunfo Sanitation District Board of Directors Authorizes Customer Financial Assistance in the Wake of Woolsey Fire

VENTURA, Calif., Nov. 19 – At a special meeting on Wednesday, November 14, the Triunfo Sanitation District Board of Directors authorized the District’s General Manager to provide financial relief to water and sewer service customers affected by the Woolsey Fire that burned in and around many sections of TSD’s service area.

All customers of Oak Park Water Service (TSD’s water utility) will receive a credit on their November bills for the amount of water they used from November 8 through November 12. For TSD customers who lost their homes in the fire, the District will issue refund checks for sewer service from November 1, 2018 through June 30, 2019. Sewer service charges are collected through an assessment on property tax bills.

TSD Board Chairman Janna Orkney stated, “The TSD Board members are devastated by the loss of life and the destruction caused by the Woolsey Fire. It is our hope that the actions we have taken will provide some measure of assistance to those who have suffered in our community.”

###

About TSD

Triunfo Sanitation District provides sewage collection services and wastewater treatment, supplies potable water, and treats and sells recycled water in the southeastern portion of Ventura County. The District covers approximately 50 square miles and serves a population in excess of 30,000. For additional information, visit www.triunfosanitation.com.
