### **Triunfo Water & Sanitation District Will Livestream May 18 Board Meeting**

VENTURA, Calif., May 7, 2020 – Triunfo Water & Sanitation District, the public agency that provides water and wastewater services to more than 30,000 people in the Conejo Valley, will livestream its May 18 board of directors meeting via YouTube. Since the COVID-19 emergency began in March, Triunfo has conducted its board meetings via publicly available videoconference, and is adding the livestream option to further enhance the opportunity for public participation.

James Wall, board chair, said, “As a public entity, we have a responsibility to operate transparently, and to enable our ratepayers and other interested parties to attend and provide input at our meetings. Since current social distancing restrictions prevent us from meeting in person, we want to do all we can to maintain public access via available technology.”

The May 18 board meeting begins at 5:15 p.m. The agenda will be posted on the District’s website ([trunfowd.com](http://trunfowd.com)) no later than 5:00 p.m. on Friday, May 15, together with information on the Zoom videoconference and YouTube livestream. Public comment on any agenda item will be accepted via Zoom or by email to the clerk of the board ([julietrodriguez@vrsd.com](mailto:julietrodriguez@vrsd.com)). All public comments sent via email must be received by 5:00 p.m. on the date of the meeting to be read into the public record.
