

POTABLE WATER CUSTOMER ASSISTANCE PROGRAM

The Triunfo Water & Sanitation District (District) offers a Potable Water Customer Assistance Program that provides a \$15.00 discount on the monthly water bill for eligible households.

Customer must provide proof of eligibility by submitting a copy of their Southern California Edison (SCE) or Southern California Gas (SCG) bill showing enrollment in the CARE program. If not enrolled in the CARE program, the customer may submit a copy of the first page of their federal tax return (or form SSA 1099 if only Social Security income) to validate compliance with the income thresholds established by the CARE program (i.e., maximum income limit for 1-2 person household is \$34,840). The SCE or SCG bill must be in customer's name and the address must be the customer's primary address. Customer must recertify application when requested. Customer must notify the District within 30 days if they no longer qualify.

There is no charge to enroll in the program.
