

THIRD PARTY BILLING APPLICATION

Third Party Billing is a service offered by the Triunfo Water & Sanitation District (Triunfo) to its customers who intend to pay their bills in a timely manner. Its purpose is to help individuals avoid the distress of water shutoff for unintentional nonpayment by designating a third party (friend, family member, caregiver, etc.) as a backup payee to the Triunfo customer. Should a past due notice be mailed to the customer, a duplicate will be mailed to the designated backup. This lets the third party designee know there is a past due situation, and enables him or her to assist the Triunfo customer in meeting the payment deadline shown on the past due notice. Note this program does not extend the time provided for the payment.

If you can benefit from this program, please complete and return this form to the address listed below or email the form to trunfowater@trunfowsd.com. Note that your signature, and the signature of your designee, are required.
