DIRECTIONS *(Traveling on N. Westlake Blvd. from Thousand Oaks Blvd.)*

Note: *some Google maps direct you to the wrong building; Triunfo is in the LAST building on the hill*

1. Turn right onto Meadow Gate
2. Take your first left - Promenade Way
3. Continue following the road around the first set of buildings on your right
4. You will pass another parking lot, and then another building on your right
5. Just after that building, turn right into the next parking lot
6. Triunfo building will be on the LEFT - Triunfo logo on the left front of building *(see above)*
7. Enter at the front/center of the building; enter reception at left (or follow signs if attending a meeting or class)

If you are at the last parking lot on the hill, you have gone too far - you are in the back of building; turn around and enter the next parking lot down
