

# SAVE MONEY WITH WATER-WISE REBATES

**Triunfo Water & Sanitation District**

**customers can save water and money**

through rebates offered in partnership with

Metropolitan Water District and Calleguas

Municipal Water District. Rebates are available on water-efficient

appliances and devices that help reduce water use and lower utility costs.

**High-efficiency clothes washers** *use 55% less water and require less energy to heat water*

**Premium high-efficiency toilets** *use 20% less water than the WaterSense standard*

**Rotating sprinkler nozzles** *apply water more slowly and efficiently to your landscape*

**Rain barrels and cisterns** *minimize the amount of water flowing into sewer and waterways*

**Weather-based irrigation controllers** *allow for more accurate, customized irrigation*

**Soil moisture sensor systems** *measure moisture in the active root zone on your property*

**Turf Replacement Program** *helps lower water and maintenance costs for your landscape*

**Apply once to access all available rebates** through Metropolitan's program.

Visit [socalwatersmart.com](https://socalwatersmart.com) and select "Residential" for approved devices, rebate estimates, and applications.

*Restrictions apply. Rebate amounts are subject to change at any time and are based on availability at the time of application approval.*
